PAINTING DEPARTMENT

We carry out in-house blasting and painting of fabricated equipment's as per our client Specification

Key Offerings

- Ø Steel Building
- Ø Steel Structural Platform.
- Ø Silos
- Ø Walkways
- Ø Steel Bridges
- Ø Staircase, Handrails & Ladders
- Ø Support Structures
- Ø Truss
- Ø Plate Girders
- Ø Workshop Sheds
- Ø Steel mould for concrete works.
- Ø Steel Doors
- Ø Designer Gates
- Ø Scaffolding & Formworks items
- Ø Built-up Sections
- Ø Storage Tank

Key Clients

- Ø GULF STEEL INDUSTRIES FZE (GSI)
- Ø DOKA KUWAIT
- Ø RRT CONTRACTING LLC
- Ø NOTREDAME METAL CONSTRUCTION CO. LLC
- Ø MIRIAM BUILDING CONTRACTING LLC

FACILITY DETAILS & RESOURCES

Our Facility comprises of 3000 Sq Mtr fabrication facility with approx. 1000 Sq.Mtr covered shed and 2000 Sq .Mtr open fabrication yard with required machineries

Key Fabrication Equipment

Equipment's	Capacity	Quantity
Power Press	40 Ton	2 Nos
Power Press	63 Ton	1 No
Power Press	60 Ton	1 No
Iron worker	65 Ton	1 No
Hydraulic Press Breaker	10mm	1 No
Hydraulic Shearing Machine	10mm	1 No
Rolling Machine	10mm	1 No
Radial Drill	40 mm	2 Nos
MIG Welding Machine	500 Amp	2 Nos
MIG Welding Machine	350 Amp	3 Nos
Arc Welding Machine	200 Amp	4 Nos
Diesel Generator	165 KVA	1 No
Bandsaw cutting machine	420 mm	1 No
Bandsaw cutting machine	350 mm	1 No
Air Compressor	6 HP	1 No

Key Blasting & Painting Equipment

Equipment's	Capacity	Quantity
Blasting Machine	-----	1 No
Portable Air Compressor	400 CFM	1 No
Spray Painting Machine	-----	2 Nos

Material Handling Equipment

Equipment's	Capacity	Quantity
Fork Lift	5 Ton	1 No
Trolley – Manual	3 Ton	2 Nos
